

## GHANA STANDARDS BOARD GHANA STANDARD ON HAIR REPLACEMENT.

The Ghana Standards Board is pleased to announce the publication of the national standard on Hair Replacement:

➤ **GS 989:2010 – *Hair Replacement - Specification for Man-made (Synthetic) and /or Human Hair Pieces, Wigs, Hair Extensions and Braids.***

The standard specifies the requirements, methods of sampling and test for man-made (synthetic) and /or human hair pieces, wigs, hair extensions and braids.

The standard gives information on the following:

- ✚ The general specification for the product - this includes raw material requirements, color, style and texture, resistance of hair to washing, perspiration and dry heat among other parameters; and
- ✚ Packaging and labeling requirements for the product.

The criterion for conformity assessment to these specifications is indicated in the published standard.

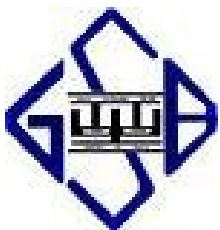

The **Standard** is available for reference and for sale at the Documentation and Information Centre of the Ghana Standards Board.

For further enquiries, please contact the Documentation and Information Centre at the following address:
